Something

This school year has brought about many changes — a new school, a new system and much attention. The end of the year is close at hand, and with it solutions to many of the problems that have arisen. People at BHS have taken them in stride, and settled down for new opportunities, achievements and goals. As we look back at the past year, perhaps we have started our school to a great future, and we'll all be proud to proclaim, "I'M A GRAD OF BHS!!!"
